

# I'm A Buncee Genius!

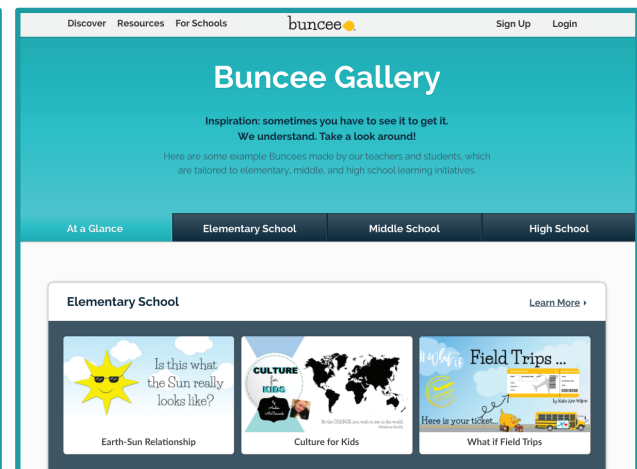

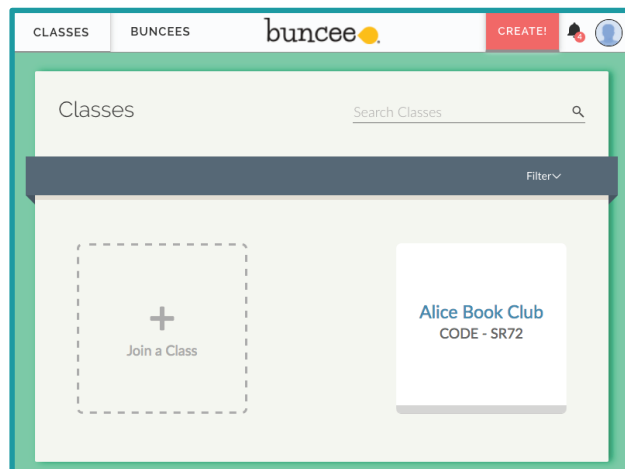

Today in school, we started using Buncee!

## What is Buncee?

Buncee is a fun & easy-to-use creation and presentation tool for students of all ages. Using the website or the iOS app, students can build multimedia projects, presentations, and stories to visualize and showcase their learning. Buncee has enhanced student engagement in classrooms throughout all 50 states, as well as 100+ countries worldwide.
